

111年虎科大國際孵育器比賽實施辦法

2022 NFU International Tiger Incubator Competition Rules

一、活動目的：

為營造本校師生國際產學實務交流，以及培養經營核心技術與服務商品化的創業能力，以國際產學為基礎，舉辦虎科大孵育器比賽，鼓勵教師帶領學生組成合作團隊，藉由提案規劃理解創業時可能遭遇之挑戰，提出具市場可行性的營運發想和產品或服務雛型，結合校內育成輔導及實驗場域資源，協助青年學生創新與創業的實踐，培育學生成為具創業家精神的人才，激發校園創新創業文化。

A. Mission Statement

In order to improve the interaction between industry and academia, and to train students' ability on starting a business, this competition is held based on international Industrial-Academic. Instructors are encouraged to form teams with their students. By conducting a proposal of starting a business, students may know the challenges and difficulties that might encounter during an actual entrepreneurship. In this competition, students are encouraged to propose marketable operational ideas and prototypes of products or services. By combining in-school incubating counseling and experimental field resources, the organizers would assist students on their innovation and practically starting a business, and educate students to be entrepreneurial and arouse the innovative entrepreneurship in the campus.

二、辦理單位：

國立虎尾科技大學

研究發展處創新自造教育基地、國際產學服務處及國際事務處。

B. Organizer：

The Cross-Disciplinary Innovation Makerspace, Office of International Industry-Academia Service and Office of International Affairs from National Formosa University co-organized this competition.
